Dear Parent / Guardian

You may already be aware of the recent tragic death of Declan Edwards, a year 11 student, at our College. Your child has been told about the incident and may be upset by what they have heard. There are many ways in which children display their grief and therefore we enclose a booklet about 'Death, Bereavement and Grief for Young People'. The booklet may help you understand your child's emotions at this sad time.

In the next week we intend to hold assemblies for all year groups and offer support for individuals as and when they need it.

This is an incredibly difficult time for Unity College, and we are extremely grateful for your continued support.

Our thoughts and prayers are with Declan's family at this time.

Yours faithfully

S Cryer (Mrs)
