

# **Children Looked After Policy**

## Children Looked After Policy

### Definition

Children Looked After are those in public care and are either –

- Subject to a Care Order or Interim Care Order, living either at home or away from home. The Local Authority has parental responsibility which it then shares with the parents in a prescribed way.
- Accommodated in foster care or residential homes – parents retain full parental responsibility.
- Remanded into care.
- Accommodated voluntarily under S20 Children's Act 1989.

A private fostering agreement is not public care - when a child lives with friends or relatives by private arrangement, these children are not designated as Looked After.

### Aims

That Children Looked After will prosper as per Lancashire Continuum of Need agenda - that is to:

- Stay safe
- Be healthy
- Enjoy and achieve
- Be involved
- Acquire economic well being

### Rationale

- The national outcomes for Children Looked After in terms of educational achievement and subsequent life chances are of real concern.
- It follows that children and young people who are looked after need special support and positive discrimination in their favour if this situation is to be improved.
- For Children Looked After this college aims to provide positive experiences and to offer stability, safety, continuity, and individual care and attention.
