

UNITY COLLEGE PUPIL PREMIUM REPORT SEPTEMBER 2017

Pupil Premium Funding is allocated to schools in addition to the school budget.

The funding is received for all pupils who have been eligible for Free School Meals at some point over the last six years together with students who have been in care continuously for six months or more. In addition to this, students from Service Families are allocated additional funding. Schools have the freedom to spend this extra income as they see fit but are accountable for its use. The aim of Pupil Premium Funding is to support learners in making progress and achieving their potential. We are committed to meeting the academic, pastoral, spiritual, social and moral needs of all learners.
