School Holiday Activities to keep your kids healthy and active.

If your child is aged 5 to 16 and gets benefits-related free school meals, you may be able to access free activities through **Fun, Food and Friends**, Burnley's Holiday activities and food programme.

There will be lots of things available to do in the summer and Christmas holidays such as **sport, creative activities, trips out and lots more!** Activities will help you learn more about nutrition as a family too.
