

On Thursday the 2nd of March, it will be the 25th anniversary of 'World Book Day' in the United Kingdom. KS3 students at Unity College will be celebrating the event by participating in activities that include the reading of an Anthology of stories as well as entering a competition to design a new book token. All entries for the book token competition must be handed into the reception in the Excel building by Friday 17th March. PD tutors will be able to give students more information on the competition as we as an entry form.

In previous years all KS3 students have been given a World Book Day paper token that allowed them to purchase a World Book Day £1/£1.50 book or to get £1/£1.50 off a full price book. This year, the World Book Day tokens have been changed from paper to digital tokens for secondary schools.
