This is a fantastic opportunity for a talented teacher of Science to join Unity College as a Lead Practitioner. If you are ready for the next step in your career but wish to still focus completely on teaching and learning, this could be the ideal opportunity for you.

The successful candidate will be an exceptional teacher as well as inspiring, intelligent, articulate and thoughtful in their approach to leading others.

At Unity College we fervently believe in the power of education to transform lives. If you always aim to inspire and enthuse students through your teaching and are dedicated to bringing positive outcomes for all young people by developing practice beyond your own classroom then please come and join us.

The College is a close community, with a shared desire to be the best we can be. The facilities and resources at Unity College are excellent and we are committed to staff's professional development and invest heavily in ensuring our teachers grow and flourish as practitioners.

### **We offer:**

- the opportunity to be integral to college improvement
- excellent professional development and a wide range of professional opportunities, including significant leadership development opportunities
- a high level of support for all new staff
- the opportunity to work alongside excellent practitioners across the College
- an exciting, stimulating and friendly place to work
- a modern, purpose-built building and excellent facilities

### **You will:**

- be an exceptional and innovative classroom practitioner
- be committed to working in a close, collaborative team
- be confident in your ability to support and develop other teachers

- be able to use a strong pedagogical understanding to successfully deliver the Science curriculum
- be enthusiastic about giving young people the best possible start in life
